Captains' and Umpires' Meeting

The Captains' meeting will be held on 24th April at BNOCC and the Secretary was asked to send a reminder to all clubs.

TL raised a number of issues that will be discussed at both meetings.

CR was keen to ensure that everyone was aware that there was more than one method of lodging a complaint. One was via the umpires report and another was if a club lodged a complaint after a game had taken place. The second method, if used, would require separate reports from both standing umpires.

There followed a discussion of a recommendation put forward by the Umpire Sub Committee regarding interpretation of the wide rule.

It was decided that at the upcoming Umpires' meeting Ian Royle would be asked to demonstrate wides based on the current CCL rules.

The £40 umpires match fee was discussed and it was agreed to discuss this further at future MM's.

40th Anniversary Season

We have been informed by the supplier that the CCL stumps had arrived in the country but had not yet cleared customs. If they do not arrive with us by the Captains' meeting there will be a logistical problem with delivery. Collection points may need to be arranged.

The team shirts should arrive by 24th April and the flag is being manufactured.

A supplier of kit had requested permission to have a portable shop at the six-a-side venues. It was agreed to offer them this facility and more details will be released nearer to the date of the event.

The CCL handbooks had gone to print and will be completed by the 24th April.

The date and venue for the 40th Anniversary Dinner have been agreed and full details will be released once a speaker has been engaged.

Website

The new version of the website will go live on April 20th.
