Matters Arising

There are two teams, Shrivenham CC and Westbury CC, who could potentially apply for membership of the CCL by winning Div. 1 of the OCA Premier Division. The Ground & Facilities sub-committee are aware and will carry out initial inspections.

Correspondence

A letter had been received from the OCB Welfare Officer emphasising the ECB Safe Hand Policy regarding juniors playing in adult cricket. The CCL support this policy.

The HCPL are currently discussing expanding their divisions to twelve teams. The CCL have informed the HCPL that the scheme cannot be supported as several clubs already have difficulty obtaining use of grounds in early September.

Finance

Net funds stand at £34544.70 taking into account known assets with £400.0 of invoices outstanding.

Discipline

There have been three recent disciplinary incidents reported and after investigation it is expected that a disciplinary hearing will be held within the next month.

The reports concern incidents in the following matches.

Buckingham Town v Leighton Buzzard – 8th June

Wolverton Town v OBNCC – 6th July

Gt Brickhill 2 v Thame 2 – 20th July

As a result of the umpire reports for the Buckingham v Leighton Buzzard game and a team mark of 3 for BTCC, plus the reporting of a BTCC player for aggressive behaviour towards an opponent. The following suspended penalties issued in 2012 were implemented.

Buckingham Town CC – Deducted 30 points.

BTCC player – Suspended for 4 matches.

A Discipline Hearing will be arranged by the Chairman to investigate incidents in the above game.

Results

The secretary was asked to email all clubs with a reminder that all results should be submitted by 11 am on the Sunday morning following a match.

Registration forms and captain's umpire forms are also not being submitted within the given period.

There are still, also, far too many incorrect statistic entries being submitted.

Website

To date there have been ½ million hits on the website.

Umpires

Following notification of Peter Tubb's intention to step down from his role a number of people have expressed an interest in taking over.

Sub Committees

Nothing to report.
