Matters Arising

No matters arising not covered by the agenda.

Correspondence

There had been a number of registration and handbook questions which have been dealt with by Gary Murton and Clive Ricks.

Oxford Downs raised an issue regarding the League Constitution. They were referred to the previous AGM where the change was passed with thirty two (32) votes for and four (4) against.

Minutes of the previous HCPL meeting were received. They reported that the Hertfordshire clubs had held a meeting to discuss the makeup of the League in 2014. The HCPL committee had not been invited to attend the meeting and were upset by that decision.

Twyford had informed the Secretary that they were unable to use their ground, on 31st August, because of a Parish Council function. As this was a first team fixture there was concern that this would set a precedent if Twyford were allowed to use another ground.

After a long debate it was decided that Twyford would be allowed to use another ground as long as that ground was up to Division One standard and was inspected by and approved by the Ground & Facilities Sub-Committee. The voting was four (4) for and three (3) against with one (1) abstention

Finance

Currently there is £58k in the current account with liabilities of £23k.

Eleven clubs have still not paid for their cricket balls and will be sent a reminder by the Treasurer.
