

Oxfordshire Cricket Umpires and Scorers Association

Oxfordshire Association of Cricket Officials (ECB ACO) (incorporating Oxfordshire Cricket Umpires & Scorers Association)

Women's & Girls Officials Officer

Young Cricket Officials Officer

In light of ECB and OCB developments the Oxfordshire ACO is looking to establish posts of Women & Girls Officials Officer and Young Cricket Officials Officer to work with the ACO in conjunction with the County Board.

These voluntary posts would include the responsibilities of:

- recruiting, training and retaining officials (umpires and scorers) in line with national and local programmes
- tracking and supporting these officials through the pathway processes
- ensuring they are aware of key opportunities available to them throughout the game.
- encouraging ALL officials to take a part in women's and youth cricket.

Oxfordshire ACO realize that the archetypal "old man in a white coat and funny hat" may not be the ideal person to lead these initiatives but we will be there to support these post holders should they request help and provide necessary information and materials along with local and national colleagues.

If you feel you have the time and energy to take on either of these posts, please contact:

Andy Grose (Oxfordshire ACO Chairman)
